

Learning@Home Grid 4 – Year 3

Key - Purple Mash (PM), Mathletics (M)

Everyday	English	Maths	Topic
<p>Spelling – The ‘u’ sound spelt ‘ou’ Work Pack activities:</p> <ul style="list-style-type: none"> Complete the Look, Say, Cover Write grid. Help Evie to correct her spellings. Find your spelling words in the grid. Ask you adult to help you complete the sentence dictation activity. Write each spelling word in a sentence to show you understand its meaning. Remember your sentence punctuation! 	<p><u>To write a playscript.</u> Look at the book illustration in your Work Pack. Do you recognise it? It’s from ‘Stone Age Boy’ – the story that we read last term. Write a short playscript about the scene in the picture, including all the features of a playscript.</p> <p>Computer option</p> <p><u>To discuss a text.</u> Work Pack:</p> <ul style="list-style-type: none"> Read ‘Stone Girl, Bone Girl’. Write down any questions you would like to ask Mary Anning. What do you think the answers to those questions might be? 	<p><u>To know if a number is odd or even.</u> Work out whether a number is odd or even by dividing that number by 2. Use items for counting (such as pasta shapes, lego etc) and share those items between 2 sharing circles. Watch Mrs Budd’s online lesson to find out more. (Go to the CH YouTube Story Channel)</p> <p>Computer option Odd and Even – Up to 20</p> <p><u>To recognise odd and even numbers.</u> Work Pack: Complete the Winter odd and even colouring page.</p>	<p>Creative Science - Make a telescope Find a used kitchen roll tube and wrap a piece of card around it. Tape the outside cardboard roll so that it can slide. You can decorate it if you like. Use your telescope to look at things really closely. What can you see through it?</p> <p>Computer option</p> <p>Science - Uses of rocks Look around your home and, using your telescope, look at the area around you out of your window. Where do you see rocks being used? Why do you think that rock has been chosen for that purpose? Think about the rock’s properties. Record your findings and ideas.</p>
<p>Computer Option Spelling Quiz</p>	<p>Computer option</p>	<p>Computer option Odd and Even – Up to 100</p>	<p>Computer option</p>
<p>Reading Read every day. Read by yourself, read to your adult, have them read to you.</p> <p>Class reading book - ‘The Boy Who Grew Dragons’ by Andy Shepherd</p> <ul style="list-style-type: none"> Listen to the Prologue and Chapter 1 on the Castle Hill Youtube Story Channel then answer the questions in your work pack. Listen to Chapters 2 and 3 then answer the questions in your work pack. Listen to Chapters 3 and 4 then answer the questions in your work pack. 	<p><u>To identify the features of an information text.</u> Work Pack:</p> <ul style="list-style-type: none"> Read the information text about the Stone Age. Complete the ‘find the features’ activity by circling and labelling the features listed. <p>Computer option</p> <p><u>To write a story review.</u> Work Pack:</p> <ul style="list-style-type: none"> Re-read ‘Stone Girl Bone Girl’. Complete the Story Review. <p>Computer option 2Publish - Book Review</p>	<p><u>To solve multiplication and division problems using arrays.</u> Work Pack: Write 2 multiplication sentences for each array then write 2 division sentences for each array.</p> <p>Computer option Arrays</p> <p><u>To solve multiplication and division problems in context.</u> Work Pack: Calculate the answer to each word problem by working out whether you need to multiply or divide.</p> <p>Computer option Multiplication and Division Problems</p>	<p>Music - Environment Why is looking after our environment important? What can we do to take care of our environment? What positive changes could we all make that would benefit our environment? Make up a song or rap about caring for the environment and our planet.</p> <p>Computer option</p> <p>Science and Maths - Shape Use your telescope to look out of the window and see what shapes you can spot. Can you find 3 things that are the shape of a square, 3 circles and 3 triangles?</p> <p>Computer option</p>
<p>Times Tables Practise every day. Say the multiplication sentences, chant through the multiples, test your adults, play Splat! Work Pack: Use the times tables posters to help you practise and learn your tables.</p>	<p>SPaG – Adverbs Adverbs are words that are used to describe verbs. Adverbs tell us more about verbs by explaining where, how, when, why or how often an action happens. Work Pack: Complete the adverbs activities.</p>	<p><u>To recall multiplication facts for mixed times tables.</u> Work Pack: Complete the mixed times tables challenge.</p>	<p>Art and DT – Prehistoric Creatures Create your own dinosaur. Draw it and name it. Think about what it looks like, what it eats and what it likes to do all day! Perhaps you could build your dinosaur. You could use junk modelling, Lego or any other materials you have around your home.</p>
