Dear Parents,

This term's home learning is linked to all of our learning at school. Our topic this term is 'The Mighty Roman Empire' and we will be continuing our Science topic 'Animals Including Human's'.

The Home Learning Grid inside this booklet is designed to allow children choice and freedom to add more information to their school learning. Some activities may require adult supervision.

Outdoor PE will be on Tuesday during Term 5. Please ensure your child has a full kit in school.

Thank you for your continued support.
