

Hythe and Dymchurch (Year 1) Home Learning Grid, Term 5

Make sure you read at home at least 3 times each week.

Merit points every time you complete home learning and for practising spellings!

<p>Complete at least 1 activity per week and colour the activity you have done using the key below.</p> <p><i>Remember you can draw, write, build, collage, etc.</i></p>	<p>Create some alien / nonsense words. Draw an alien next to each one.</p>	<p>Use junk modelling materials to make a person or an animal.</p>	<p>Design a healthy meal on a plate using collage/drawings.</p>	<p>Practise counting backwards from 100 to 0. When you can do this, try starting from different numbers, e.g. 82, 81, 80, 79. Then 54, 53, 52, etc.</p>
	<p>Find 5 different price labels at a shop up to £1. Write and record how many 10p coins and how many 1p coins are needed, to make that amount. You can draw some coins to show your answer.</p>	<p>Make a list of your favourite animals. These could be birds, mammals, reptiles, amphibians or fish.</p>	<p>Find out some animals that are herbivores, carnivores and omnivores. Write what each type eats, e.g. Herbivores eat</p>	<p>Read a story to an adult. Tell them about the title and the blurb. Talk about the story. Send in a photo of you reading your story.</p>
	<p>Draw a variety of animals. Put them in order from smallest to largest.</p>	<p>Write a poem about your favourite animal.</p>	<p>Use your senses at home. Write or draw what you can see, hear, touch, taste and smell. Can you find 3 things for each sense?</p>	<p>Learn to count in 10s to 100. If you can already do this, learn to count in 10s from <u>any</u> number, e.g. 3, 13, 23, etc. 6, 16, 26, 36, etc. Make sure you understand that you are adding 10 each time.</p>
	<p>Write about a place you have visited. Write in sentences. Use your Fred Fingers for spelling. Don't forget your capital letters, finger spaces and full stops!</p>	<p>Play a rhyming game with another person. Can you write some rhyming words?</p>	<p>Paint or draw a picture of an animal of your choice. Label all the different parts of its body. Colour your work neatly.</p>	<p>Learn all your doubles to 10 by heart. Use this website to help. Move on to halving if you can. http://www.topmarks.co.uk/mathsgames/hit-the-button</p>

Castle Hill
Community Primary School

Dear Parents/Carers,

This term's home learning is on the attached grid. More details about this term's learning is also on our page on the school website.

To support the children, the home learning grid is designed to allow them choice and freedom to add more information to their class study. Children can choose one activity to complete each week, but they can do more if they wish to. They also need to read.

Please ensure your child has a full P.E. kit in school for this term.

Mrs Harding & Mrs Sutcliffe.
